BEDROOMS & COMMON ROOMS

- | | |
|--|--|
| <input checked="" type="checkbox"/> Sanitize countertops, side tables & table tops | <input checked="" type="checkbox"/> Sanitize light switches & door knobs |
| <input checked="" type="checkbox"/> Sanitize mirrors, entry/exit glass on doors | <input checked="" type="checkbox"/> Remove cobwebs |
| <input checked="" type="checkbox"/> Vacuum floors/ carpet & mop floors | <input checked="" type="checkbox"/> Collect & take out trash |
| <input checked="" type="checkbox"/> Change bed linens | <input checked="" type="checkbox"/> Straighten up area |

Please note: In order to best prepare your home, ensure that you declutter by picking up any loose items on the floor, kitchen sinks, countertops, tabletops, and bathroom vanities. Please place your pet in a safe area such as a kennel, backyard, or a lesser used room to ensure the safety of our staff. If you need us to change your linens, please leave clean bedsheets on the bed and we will remove the dirty sheets and place them on your washer.

GLOSSARY

Dust: We use a microfiber cloth or duster tool with an extender, without any chemical agents.

Sanitize: We use a microfiber cloth, sponge, or eraser with a chemical agent to sanitize.

All tools used in your home have been sanitized before use.
